## What's new in Writer's Workbench Version 8.5?

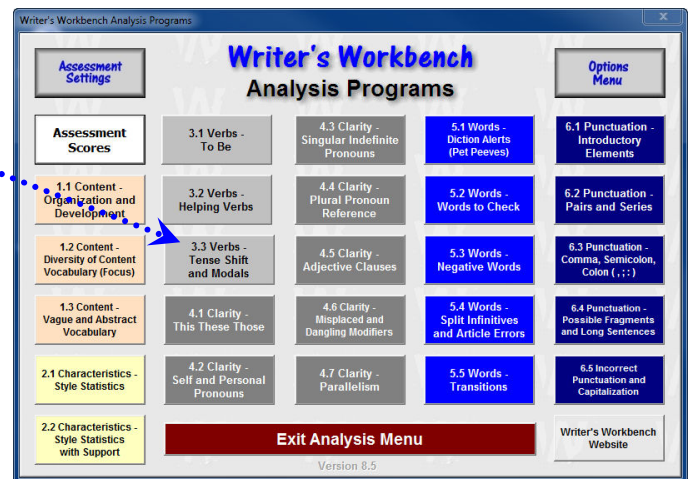

Dear Writer's Workbench Enthusiast:

Just a quick note to alert you to the exciting new WWB Version 8.5 enhancements included with this release. To view previous years' enhancements, please visit [writersworkbench.com/wwb/wwbEnhancements1.htm](http://writersworkbench.com/wwb/wwbEnhancements1.htm).

### **Now compatible with 32 bit and 64 bit versions of Word 2007 and Word 2010**

### **New Analysis – “Tense Shift”**

- Displayed before the Modals Analysis
- Provides a tool to help identify unintentional tense shift
- Flags past tense verbs and future tense helping verbs
- Does not flag present tense verbs
- “**MoreInfo**” – provides general rules and examples of inappropriate tense shift and examples of intentional tense shift

### **“Always use Writer's Workbench”**

- Provides the ability to always load Writer's Workbench tools whenever double-clicking on a Word document (provided as an option)
- No need to double-click on the WWB desktop icon and then open the document

### **Other Enhancements**

- Long bullet lists (over 256 words) no longer cause problems for dissertations and long documents
- More user-friendly handling of non-text characters and objects in documents
- Visual improvements in analyses

### **All New Website – easier to read and navigate**

 **WWB Support and Training** – As always, we provide free, unlimited support and training using the GoToAssist remote control program.

If you have any problems or questions or suggestions or if you would like to schedule a training session, please feel free to call or send e-mail to [wwbsupport@emo.com](mailto:wwbsupport@emo.com).

Sincerely,
